

Nexen Group is proud to announce that we will be attending the Hannover Messe trade show in Hannover Germany. Together with our German precision distribution specialist, Lineartechnik (LTK), Nexen Group will exhibit in **Hall 16, Booth D18** from **April 24th - 28th**. Please stop by to see our latest product offerings and have a chat with our team.

Our knowledgeable Nexen engineering staff will also be on hand to answer any application or product questions you may have.

Boasting 6500 international exhibitors, and showcasing the latest in industrial technology, the Hannover Messe is one of the largest trade shows in the world. We look forward to demonstrating our wide range Nexen industrial solutions at the exhibition.

See you in Hannover!
